

OHS Math Department
Summer Assignment Instructions for Algebra I, Geometry,
Algebra II, CP PreCalculus, PreCalculus Honors, CP Calculus and AP Calculus

IF YOU HAVE A DELTA MATH ACCOUNT, PLEASE FOLLOW THESE STEPS.

- 1.) Visit: <https://www.deltamath.com/>
- 2.) Enter your Login Information.
- 3.) Click on Tools and select Manage Login and Teachers

Teacher/Class Information:

- If you are enrolled in the OHS Math Department, click on edit and select the class(es) you are enrolled in for the 20-21 School Year.
- If you are not enrolled in the OHS Math Department, click on Add Teacher (Teacher code: **314050**) and then select the class(es) you are enrolled in for 20-21 School Year.

IF YOU DON'T HAVE A DELTA MATH ACCOUNT, PLEASE FOLLOW THESE STEPS.

- 1.) Visit: <https://www.deltamath.com/>
- 2.) Click on Create Account and select Student.
- 3.) Teacher code: **314050**
- 4.) Enter Student and Login Information.

- a. Class: Select the summer assignment for the class you are enrolled in for 20-21 School Year (If you are taking multiple math classes in the 20-21 School Year, you must complete all applicable summer assignments.)

Class:

- b. Enter your name, email and password. Write down your email and password and keep this paper in a safe place so you don't lose your login information.

Email: _____

Password: _____ (Must be at least 8 characters)

- 5.) Click on Create Account

The summer assignment(s) must be completed by **September 1, 2020 at 11:59 PM.**

Instructions for completion:

- ✓ You must complete ALL problems BEFORE the first day of school in order to receive full credit.
- ✓ If needed, each problem provides a model example but you may also watch videos at www.khanacademy.org for any additional guidance you may need.
- ✓ You may complete the assignment in multiple sittings. Your progress will be saved after each session.
- ✓ Please complete work on a separate piece of paper but record all final answers online.

If you have any questions regarding the summer assignment or are having difficulty logging on, please contact Mrs. Caiazzo at caiazzok@oxfordpublicschools.org.
